

Federal Election 2025

Questions for Candidates

Questions for Candidates

- **Do you support investing in new energy infrastructure projects to create jobs for Albertans in the Building Trades unions?**
- **Subcontractors are using undocumented on federally-funded projects. This limits jobs for Canadian tradespeople, costs millions of dollars in tax fraud and creates a black market in labour. Will you support the enforcement of labour procurement policies to prevent this abuse?**
- **The ability to unionize is a constitutional right of all Canadians. Will you commit to uphold and defend Charter-protected union rights?**
- **Canada's Temporary Foreign Worker (TFW) Program under its current form has led to wage-suppression of skilled trades workers. Will you support reformation of the TFW program to ensure that prevailing wage standards are upheld and that jobs are created for domestic skilled tradespeople?**
